THERE IS REALLY NO COST ONLY THE PRIVILEGE OF SERVING THE KING OF KINGS

Dr Helen Roseveare

Dr Helen Roseveare sailed to the DR Congo in 1953 where she set up a hospital with local clinics and a training school for nurses. She served God in Congo during some of the darkest days of the country's history and was imprisoned for five months. Yet her experience of God's love in this trauma shaped her life and ministry for the years that followed when she travelled worldwide as a missionary advocate and writer. Join us as we remember Helen who lived her life in complete surrender knowing that "Jesus was worth it." The task remains, the call is clear, and Jesus is still worth it.

Our world mission challenge will come from **Louis Sutton**, WEC International Director and **John Bagg**, WEC UK Director who are both passionate about Christ, his church and his kingdom, and the challenge of reaching unreached peoples.
