

**!!!!Special Offer on Courses Starting January 2011!!!!**

We have a limited number of places available on our courses starting in January and are pleased to offer them at a reduced fee of **€200 (usually €300)** per module.

**This is a special offer** as we are aware that everyone is feeling the pinch at the moment - and one of the places we are feeling it here at IBI is in the reduced numbers of people able to take single modules. We hope this special discounted rate might make it possible for you, or someone you know, to take a course with us.

A list of courses with days, times and teachers is given below. Application form is available [here](#)
