

Irish Mission Agency Partnership email policy.

We have created this privacy policy to demonstrate our firm commitment to your privacy and the protection of your information.

Why did you receive a mailing from us?

Our email marketing is permission based. If you received a mailing from us, our records indicate that (a) you have expressly shared this address for the purpose of receiving information in the future ("opt-in"), or (b) you have registered or otherwise have an existing relationship with us. We respect your time and attention by controlling the frequency of our mailings. Content will be restricted to our mission partners and event notifications.

If you believe you have received unwanted, unsolicited email sent via this system or purporting to be sent via this system, please forward a copy of that email with your comments to info@imap.ie for review.

How can you stop receiving email from us?

Each email sent contains an easy, automated way for you to cease receiving email from us, or to change your expressed interests. If you wish to do this, simply follow the 'subscribe' or 'unsubscribe' link at the bottom of the email. Send a blank email to activate your option.

How we protect your privacy

We use appropriate security measures to protect against the loss, misuse and alteration of data used by our system.

Sharing and Usage

We will never share, sell, or rent individual personal information with anyone for their promotional use without your advance permission or unless ordered by a court of law. Information submitted to us is only available to iMAP members managing this information for purposes of contacting you or sending you emails based on your request for information, and to contracted service providers for purposes of providing services relating to our communications with you.
